Searching for timeless elegance on a grand scale? May we introduce El Palace...

7

El Palace

Formerly The Ritz of Barcelona, El Palace is a lavish, grand city dame, and its decadent past is celebrated today via several Art Suites named after cultural figures who have frequented its hallways – from dancer Josephine Baker to musician Ronnie Wood and artist Salvador Dalí. Head to its vast, romantic rooftop to discover a foliage-adorned secret garden, ponds, an alfresco pool, plus pretty pergolas – the perfect spot for a special sundowner.
